## PAUL HARRIS FELLOWSHIP AWARDS

The Paul Harris Fellowship is named for Paul Harris, who founded Rotary with three business associates in Chicago in 1905. The Fellowship was established in his honor in 1957 to express appreciation for a contribution of \$1,000 to the humanitarian and educational programs of The Rotary Foundation. Those programs include an array of projects that save and invigorate the lives of people around the world and enhance international friendship and understanding. Foundation programs provide educational opportunities, food, potable water, health care, immunizations and shelter for millions of persons. These activities are funded, implemented and managed by Rotarians and Rotary clubs around the globe. Today we honor several members for their commitment to The Rotary Foundation. Together with our club's matching program contributions totaling \$6,000 was given to The Rotary Foundation.

Congratulations to Chris Sitzmann, David Rothmann, Rick Stark, Tom Scheetz, President Sridhar and his wife Sandhya Sridhar.

A big thank you to all the members who donated points for the incentive program to make this possible. Rick Stark, Tom Boldt, Lynn Peters, Kevin Loomans, David Rothmann, Steve Taylor, Barb Merry, Phil Sealy and Steve Rieth.
